PROFESSIONAL SUMMARY

I am a versatile professional with experience in customer service, education support, and administrative tasks. My role as a Teacher Assistant strengthened my communication, organization, and problem-solving abilities in dynamic environments. I hold diplomas in Graphic Design and Interior Design, bringing a creative and detail-oriented perspective to my work. I am currently transitioning into full-stack development, with hands-on experience in front-end technologies such as HTML, CSS, JavaScript, and Vue.js, as well as back-end development using Node.js, MySQL, and Oracle APEX. I am eager to apply my growing technical skills alongside my strong interpersonal abilities in a forward-thinking organization.
